NOTES:

Project Notes:

- Equipment closet under the stairs need to have a remote exhaust fan to remove warm air from the room.
 - Exact locations to be determined in the field prior to prewire.
 - Cabinet details are concepts only all final designs done by the cabinet company and to be approved by Pacific Audio & Communications.
 - Landscap Lighting as follows:
 - 1) Waterfall Pool
 - 2) Waterfall Lanai
 - 3) Waterfall North
 - 4) Path Front
 - 5) Path Back
 - 6) Tree Uplights Front
 - 7) Tree Uplights Back
- Locate transformers as close as possible to light sources to eliminate voltage drop
