

CEDIA ROI & Pacific Audio & Communications Welcomes You to a New Technologies Showcase, Luncheon & *Workshop Event Covering the Essentials of...

“Home Integration for Convenience, Comfort & Safety”

We welcome all design, architect, & lighting communities to partake in a one day event to gain perspective on the nuances of Home Integration. It is essential that we embrace all facets of design to bring to fruition the homeowners' goals and dreams. We hope to have a high level dialogue on what we know about the future of the industry” –Pat Mulligan, Pacific Audio

Special Guest and 08' CEDIA's Top 10 Instructor Sam Cavitt Covering “Home Theater Design Essentials for the Trade.”

Workshop Schedule:

12-1:00 PM--Sam Cavitt on “Home Theater Design...”

* 1:30-2:30 PM-- ROI Instructor Pat Mulligan on “Home integration”

**ROI Seminar registered with AIA/AIBD 1.0 Credits (ASID pending)*
